Evans Seeking Council Seat on His Past Record

(Editor's Note: This story continues a series of interviews with candidates for the Torrance City Council. The interviews are being run alphabetically and will be concluded in the Torrance Herald prior to the April 13 election.)

Robert F. Evans, of 5107 Sharynne Lane, a manufacturer's representative here 4 1/2 years prior to rejoining Douglas Aircraft's material department recently, is campaigning for one of the two vacancies on the Torrance City Council on his record, "not on a list of promises."

Married and the father of three children, Evans has been active for many years in Boy Scout organizations and is presently chairman of organization and extension for the South Bay District of the organization.

The Evans children are attending Torrance schools; Bill, 14, is at Torrance High, and Ronald, 12, and Barbara Jean, 7, attend Seaside Elementary School.

Evans was born in Sacramento in 1914 and moved to the Los Angeles area in 1922. He completed two and one-half years at the Curtiss-Wright Institute of Aeronautics in 1933 and entered the Naval Air Force in 1934, completing his tour in 1938. He served in Douglas Aircraft's sales department for seven years and in 1947 went into business for himself as a manufacturer's representative, representing a number of eastern firms. The first of this year he returned to Douglas when he was offered a substantial position with the firm.

In addition to his activities with the Boy Scouts, Evans has been active with the Torrance Little League, and was instrumental in obtaining use of the City property for the league's diamond. He is a member of the Los Angeles Athletic Club, and the Pacific Coast Club of Long Beach. He was formerly chairman of the board of his church in Los Angeles, and now is trustee of St. Andrew's Presbyterian Church of Redondo.

"I am 100 per cent behind the bond issue for a new Civic Center and I urge the voters to save themselves a lot of time and money by taking the step now rather than wait until we reach a crisis," he has stated.
